Version: DEMO-1.0 | Effective: 28 October 2026 | Owner: Demo Support Operations

TEST DATA ONLY. These policies are fictional examples created to test RAG retrieval, citations, routing and escalation. Replace with reviewed company policies before real-world use.

Office and visitor procedures

1. Illustrative office hours are Monday to Friday, 9:30 AM to 6:00 PM. Site-specific schedules may differ.

2. Visitors must be preregistered by a host, present identification at reception and wear a visitor badge.

3. Meeting rooms can be reserved through the internal facilities booking portal, subject to availability.

Facilities and equipment

1. For furniture or office equipment requests, submit an Admin ticket with location, item and business justification.

2. Report air-conditioning, lighting and maintenance problems with floor, room and issue description.

3. Parking spaces are allocated according to local office policy; availability must be confirmed by Facilities.

Building access

1. Lost access cards must be reported promptly to Facilities or Security so the card can be disabled.

2. Replacement badges and restricted-area access require identity verification and authorized approval.

3. Do not issue access rights based solely on a chat request.

Safety and escalation

1. For smoke, fire or immediate danger, evacuate as appropriate and contact local emergency services and on-site security. Do not wait for an AI ticket.

2. Escalate urgent safety issues, restricted access requests and unresolved facilities problems to a human administrator.

RAG evaluation: Answers should cite this document and the relevant section. If the document lacks a fact, state that it is not available and offer escalation.
