HR Employee Handbook and Leave Policies

Version: DEMO-1.0 | Effective: 28 October 2026 | Owner: Demo Support Operations

TEST DATA ONLY. These policies are fictional examples created to test RAG retrieval, citations, routing and escalation. Replace with reviewed company policies before real-world use.

Leave entitlements (illustrative)

1. Full-time employees receive 18 days of annual leave per calendar year, accrued at 1.5 days per completed month.

2. Employees receive 10 days of sick leave and 6 days of casual leave per calendar year. These sample entitlements are not statutory guidance.

3. Unused annual leave: up to 5 days may be carried forward to the following year, and must be used by March 31. Sick and casual leave do not carry forward.

Leave request procedure

1. Submit annual or casual leave through the HR portal at least 3 working days before the requested start date when practical.

2. The reporting manager reviews requests within 2 working days. HR reviews exceptions or disputed decisions.

3. For sickness, notify the manager as soon as practical. A medical certificate is required for 3 or more consecutive working days of sick leave.

Attendance and remote work

1. Standard office schedule is Monday to Friday, 9:30 AM to 6:00 PM, with a 30-minute meal break.

2. If attendance is missed, submit an attendance correction in the HR portal within 2 working days.

3. Eligible employees may request up to 2 remote-work days weekly with manager approval; this is not an automatic entitlement.

Onboarding and employee benefits

1. New employees submit identity, bank and tax details only through the secured onboarding portal. Never share identity documents in support chat.

2. Benefits include an illustrative group health insurance plan, subject to plan documents and enrollment eligibility. For coverage limits, consult the current insurer schedule.

3. HR can explain onboarding steps but cannot disclose another employee's personal information.

Escalation rules

1. Escalate salary disputes, harassment complaints, confidential grievances, medical details, disciplinary matters and employee-record changes to authorized HR staff.

2. If a requested policy is absent or unclear, do not guess. Create an HR ticket and ask for clarification.

RAG evaluation: Answers should cite this document and the relevant section. If the document lacks a fact, state that it is not available and offer escalation.
